

AI in Radiology: Towards Platforms & Practice

Pre-conference

17 April 2026 | Raffles Dubai, Wafi - UAE

Speakers

Dr. Aamna Alshehhi
Assistant Professor
Biomedical Engineering &
Biotechnology
Khalifa University
Abu Dhabi, UAE

Dr. Adhari Alzaabi
Associate Professor
Human and Clinical Anatomy
Sultan Qaboos University
Muscat, Oman

Dr. Tilak Das
Consultant Radiologist
Imaging Department
Cambridge University Hospitals
NHS Foundation Trust
Cambridge, UK

Prof. Fiona Gilbert
Professor, Radiology Department
University of Cambridge
Cambridge University Hospitals
Foundation Trust
Lead Advisor AI Royal College
of Radiologists
Cambridge, UK

Dr. Amanda Isaac
Associate Professor, King's
College London
Biomedical engineering &
imaging sciences
KCL
London, UK

Dr. Michail Klontzas
Assistant Professor of Radiology
Department of Radiology
School of Medicine,
University of Crete
Heraklion, Greece

Dr. Farah Shamout
Assistant Professor of
Computer Engineering
New York University Abu Dhabi
Abu Dhabi, UAE

Prof. Mohammad Yaqub
Associate Professor
Computer Vision Department
Mohamed bin Bayed University
of Artificial Intelligence
Abu Dhabi, UAE

Pre-conference Agenda

17 April 2026

Friday

08:30 - 09:00 Registration

09:00 - 10:30 Session 1

Moderator: Dr. Taleb Almansoori

09:00 - 09:05 Introduction & Welcome

 Prof. Fiona Gilbert

09:05 - 09:20 MHRA regulatory position for AI in the UK

 Dr. Amanda Isaac

09:20 - 09:35 Assessment and Deployment of AI

 Dr. Tilak Das

09:35 - 10:20 Post deployment monitoring guidance - Royal College of Radiologists Guidance

 Prof. Fiona Gilbert

10:20 - 10:30 Panel Discussion

10:30 - 11:00 Coffee Break

11:00 - 12:05 Session 2

Moderator: Prof. Mohammad Yaqub

11:00 - 11:15 Radiomics and deep learning for imaging

 Dr. Michail Klontzas

11:15 - 11:30 Getting published in Radiology: Artificial Intelligence

 Dr. Michail Klontzas

11:30 - 11:55 AI in the Radiology: The Past, The Present and The Future

Prof. Mohammad Yaqub

11:55 - 12:05 Panel Discussion/Q&A

12:05 - 14:00 Prayer/Lunch Break

14:00 - 15:15 Session 3

Moderator: Dr. Usama Al Bastaki

14:00 - 14:25 The Science and Uncertainty of Generative AI in Diagnostic Imaging

 Dr. Adhari Alzaabi

14:25 - 14:50 Agentic AI and automated workflows, including triage, prioritization, and real-world deployment challenges

Dr. Aamna Alshehhi

14:50 - 15:15 Panel Discussion/Q&A

15:15 - 15:45 Coffee Break

15:45 - 17:00 Session 4

Moderator: Dr. Manzoor Ahmed

15:45 - 16:10 Advancing Multimodal AI for Data-Driven Clinical Decision Support

 Dr. Farah Shamout

16:10 - 16:35 Before You Click Accept: Critical Appraisal of AI Evidence, Governance Frameworks, and Institutional Readiness in Radiology

 Dr. Adhari Alzaabi

16:35 - 17:00 Panel Discussion/Q&A

17:00 Day Closing
